

1. Basic identifiers of the new product

product name: _____

additional names: _____

(trivial name, trade name)

chemical name/CAS-name: _____

(including stereochemistry, if applicable!)

molecular formular: _____

CAS-number: known, _____

unknown

not assigned

If unknown or not assigned, please draw structure:

(including stereochemistry, if applicable!)

2. Quality details

purity (analytical method): _____

assay (analytical method): _____

additional parameters loss on drying: _____

melting/boiling point/range: _____

water content: _____

turbidness: _____

color no.: _____

other: _____

3. Business Details

demand: one-time, _____ kg

annual, _____ kg/a

exclusive product: Yes No

target price of customer: _____

other supplier: company: _____ price: _____

provision of raw material: Yes, 1. _____

2. _____

at 1.: free of charge with cost, price: _____

at 2.: free of charge with cost, price: _____

4. Preliminary work concerning synthesis and/or analytics

Does preliminary work exist ? Yes No

If no: Please continue with step 5!

If yes:

Proven manufacturing procedure available? Yes No

Proven analytical methods available? Yes No

Proven laboratory procedure? Yes No

Procedure from literature available? Yes No

Analytical methods available? Yes No

Complete specification available? Yes No

Material Safety Data Sheet (MSDS) available? Yes No

4.1. Transfer of all available documents possible? Yes No

4.2. Raw material(s)
Specification and/or CoA available? Yes No

Material Safety Data Sheet (MSDS) available? Yes No

Provision for laboratory trials at ORGANICA? Yes No

4.3. Product sample
Provision possible? Yes No

CoA available? Yes No

5. Customer details

company name: _____

address: _____

name of contact person: _____

position: _____

phone: _____

e-mail: _____

6. Reply

After you have filled in all form fields, select „File“ / „Save as ...“ and save the completed PDF in a folder of your choice. The Adobe Reader advice window „This form is in a data collection process is (...)“ is to neglect. Please send us the questionnaire as an attachment by e-mail back. You will receive a response as soon as possible regarding your request.
